

**Fort Collins Museum & Discovery Science Center
Enterprise Zone Tax Incentive
DRAFT**

The Enterprise Zone Program is a tax incentive to encourage job growth and contributions in our area. On March 11, 2010, the Office of Economic Development and International Trade approved the Fort Collins Museum & Discovery Science Center to be an Enterprise Zone Project.

Colorado State's Enterprise Zone legislation permits a 25% tax credit, with an annual credit limit of \$100,000, for Colorado taxpayers who make cash contributions to the Fort Collins Museum & Discovery Science Center. In-kind and stock contributions receive a 12.5% tax credit. The following example illustrates how a contribution of \$1,000 may impact your federal and state tax liabilities thereby lessening the cost of your donation.

Your Federal Tax Bracket	10%	15%	25%	28%	33%	35%
Your Gift	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000	\$ 1,000
Your Federal Tax Savings	\$ 100	\$ 150	\$ 250	\$ 280	\$ 330	\$ 350
Your Colorado Tax Savings (4.7%)	\$ 47	\$ 47	\$ 47	\$ 47	\$ 47	\$ 47
Colorado Enterprise Zone Tax Credit	\$ 250	\$ 250	\$ 250	\$ 250	\$ 250	\$ 250
Your Total Tax Savings	\$ 397	\$ 447	\$ 547	\$ 577	\$ 627	\$ 647
Your Net Cost of Gift	\$ 603	\$ 553	\$ 453	\$ 423	\$ 373	\$ 353

(For illustration purposes only, individual tax situations will vary)

Contributions of \$1,000 or more may qualify for the Enterprise Zone Tax Credit. Verification will be sent by the FCM&DSC upon receipt of your generous donation. **Please consult your financial advisor regarding deductibility as individual situations vary.**
